ITINERARY

June 7 Arrive in Athens and transfer to the 5-star N.J.V. Athens Plaza hotel. Spend the remainder of the day at leisure.

June 8 Depart Athens and set out on a full-day sightseeing tour of mystical Delphi, one of the most important archaeological sites in Greece. Idyllically perched on the slopes of Mount Parnassus and nestled among craggy rocks and verdant forests, Delphi was considered by the ancient Greeks to be the center of the earth. Drive on the national highway, passing the quaint towns of Thebes, Livadia, and Arachova. Stop at the Castalian Spring, where the ancient Greeks would purify themselves before entering the sanctuary. Next, take in the massive Temple of Apollo, built in the 4th century BC; the Athenian Treasury; the Ancient Theater; and the 5,000-seat stadium, the site of the Pythian Games. Admire fascinating artifacts at the Archaeological Museum of Delphi, home to the famous Statue of Antinoos and the unique bronze statue of the Charioteer. After an included lunch at a traditional Greek restaurant, board your motor coach and return to your hotel in Athens.

June 9 After breakfast, delve into Greek history and culture during a half-day tour of Athens. Drive past the Academy's neoclassical buildings, the marble National Library, and Constitution Square's Greek Parliament and Tomb of the Unknown Soldier. See the Panathenaic Stadium, host to the first modern Olympics, and the Temple of Olympian Zeus. Explore the legendary Acropolis with its timeless Parthenon, and visit the new Acropolis Museum, which houses an exceptional and significant collection of classical Greek sculpture.

As the tour comes to a close, transfer to *Marina* to embark on your cruise.
