OVERVIEW

Visit a family-owned farm that also produces premium wines and sample some of the year's best releases. Greenvale Vineyards lies along the Sakonnet River and offers spectacular views of the surrounding pastoral landscape, but it is their exceptional product that sets this winery apart. Greenvale only produces a small quantity of wine that beautifully reflects the unique terroir, which is heavily influenced by the vineyard's proximity to the ocean. The exact wines for the tasting will be chosen upon your arrival, but they may include a Bordeaux-style red, a Chardonnay varietal or a white blend made with Cayuga and Vidal Blanc grapes.
