Duration: 8.50 Hrs Price: \$179.00

It is one of the best-preserved Roman aqueducts among the hundreds built in Europe and North Africa. Although the Vandals destroyed much of the baths in the 5th century, they are still a sight to behold.

NAP-005 HISTORIC HERCULANEUM

Date: Sep 28, 2025 Time: 08:45 AM
Duration: 3.50 Hrs Price: \$169.00

OVERVIEW

Delve into the remains of Herculaneum, a UNESCO World Heritage site that, much like Pompeii, fell victim to Mount Vesuvius' reverberating AD 79 eruption, on this engaging tour that also takes you to a local craft center. You'll learn that Herculaneum's fate didn't quite mirror Pompeii's, since Pompeii was buried in hot volcanic ash that burned everything combustible, whereas Herculaneum was covered by scorching mud that serendipitously preserved the village and prevented looting throughout the centuries. In addition, you'll hear many of the citizens had already departed Herculaneum due to an earthquake that preceded the volcanic eruption by several years, so this city has none of the eerie body casts seen in Pompeii. During your guided tour, you might see upper-class Roman villas overlooking the sea, original statuary, inlaid marble floors, intricate wall mosaics and even carbonized wood artifacts that survived the horrific devastation, all of which provide an astonishing snapshot of life nearly 2,000 years ago. Cap off your illuminating outing with a visit to a craft center, proof that even Vesuvius' destructive outburst couldn't prevent this vibrant corner of Italy from flourishing.

HIGHLIGHTS

- Tour the eye-opening ruins of Roman-era Herculaneum, a UNESCO World Heritage site.
- See nearly intact buildings interred for centuries by a flow of scalding

mud triggered by Mount Vesuvius' AD 79 eruption.

- Examine statues, inlaid marble floors, ornate mosaics and wooden items carbonized by the extreme heat.
- Shop for local crafts at a center where artisans proudly display their wares.

HELPFUL HINTS

- Wear casual, weather-appropriate clothing and comfortable walking shoes.
- Bring a hat, sunglasses and sunscreen.

PLEASE NOTE

This tour includes approximately 3 hours of walking. It is not available to guests who utilize a wheelchair. Those guests with mobility concerns are cautioned to evaluate their personal level of ability and stamina.

Admire the illustrious National Archaeological Museum, housed in an immense, salmon-colored building originally built as a cavalry barracks, then commandeered in the late 18th century by Charles of Bourbon as a museum for his invaluable Farnese collection. Gaze in awe at the Farnese Bull, the largest known sculpture surviving from antiquity, a Roman creation theatrically depicting Greek mythological figures. You'll discover an exceptional collection of treasures recovered from Pompeii and Herculaneum, including vividly hued murals, frescoes and mosaics depicting lifelike, intricate scenes that once decorated the walls and floors of the city's villas. Back on your coach, take a brief drive through the city past significant landmarks such as the commanding Castel Nuovo, the Teatro di San Carlo opera house, majestic Galleria Umberto, the marvelous Palazzo Reale and the Castel dell'Ovo, which overlooks the Gulf of Naples. For a perfect finale, treat yourself to an authentic pizza, originally created in Naples in 1830 and likely the city's most indelible contribution to the world.

Delve into Rome's fascinating history by exploring iconic attractions such as the ancient Colosseum and the wonders within Vatican City. Unlike earlier amphitheatres that were constructed into hillsides for support, the Colosseum is a freestanding structure. It held as many as 50,000 spectators who came to watch mock naval battles and gladiators fight. After a 14th-century earthquake severely damaged the amphitheater, the fallen stones were used as building materials elsewhere. You will also behold the glorious Vatican Museums, the frescoes that Michelangelo painted on the ceiling of the Sistine Chapel and the papal apartments known as the Raphael Rooms. And what better way to conclude your immersion into Rome than at St. Peter's Basilica? This pilgrimage site on Vatican Hill was constructed in the early 16th century and was once the world's largest church. It remains one of the holiness sites in Christendom. Inside, you will see the Pietà, which Michelangelo completed when he was only 24.

HIGHLIGHTS

- View the Spanish Steps from the bottom for the best perspective of this iconic attraction.
- See the Trevi Fountain and toss a coin in the 18th-century Baroque landmark, if you wish.
- Pause at the Pantheon, the only ancient Roman building that remains nearly intact.

OVERVIEW

Savor a tasting of organic wines at a farm that operates in an environmentally friendly manner that is completely sustainable. A delightful drive through the gorgeous Tuscan countryside will bring you to Trebotti, a family-owned farm and winery that follows natural agricultural practices. It is among the first farms in Italy to measure and certify its carbon footprint with the goal of achieving zero climate-altering emissions. Duration: 5.00 Hrs Price: \$129.00

OVERVIEW

Enjoy a leisurely walk around a former landfill that has been converted into a coastal pond that attracts hundreds of species of birds. You will find Centro Habitat Mediterraneo near the mouth of the Tiber River in the Ostia neighborhood of Rome. A dump site there was supposed to be developed as an oceanarium, but the residents of Ostia voted to turn it into a nature reserve instead. The transformation has been a success from the beginning. The reserve now features an informative nature center and a winding walkway, viewing platforms and a lookout tower for bird-watching. Kingfishers, marsh harriers, flamingos, purple herons and little grebes are the five most commonly spotted birds. CIV-WT1 WELLNESS - THERMAL BATHS OF THE POPES

Date: Sep 29, 2025 Time: 08:30 AM
Duration: 5.00 Hrs Price: \$279.00

OVERVIEW

Travel to the ancient city of Viterbo, where thermal springs have been celebrated for their healing properties since the time of the Etruscans and Romans. In the lush countryside just west of the city center, you will experience Terme dei Papi, the “Thermal Baths of the Popes.” While the baths were visited by a succession of popes in medieval times, they received their current name in the 15th century when Pope Nicholas V was so impressed by the curative effects of the waters that he had a grand palace built on the site, so he could stay there whenever he required treatment. The baths are fed by the Bullicame spring that has inspired artists and poets for centuries. Dante references the spring in his Divine Comedy, and Michelangelo sketched drawings of the beautiful landscape. The mineral-rich waters are forced through a miles-long fracture in the earth’s crust by the pressure of carbonic gases. The salts, calcium, magnesium and other mineral compounds in the thermal waters make them highly valued for multiple therapeutic applications, including the treatment of respiratory ailments, bone and joint pain, and skin conditions.

Those guests that are companions, use a cane or walker, or have limited mobility issues must book the companion tour code LRN-AC3 ACCESSIBLE PISA & MEDIEVAL LUCCA Companion Experience incredible medieval art and architecture in Pisa's glorious Field of Miracles and then explore more medieval treasures in the town Lucca. Few attractions are quite so iconic as the quartet of medieval masterpieces in Pisa —the Leaning Tower, Duomo, Baptistery and Camposanto. The guide will elaborate on the historical importance of this UNESCO World Heritage site while you take in its architectural beauty. In the nearby National Museum of San Matteo, you will see works of art from various ecclesiastical buildings throughout the province. Next, you will continue to Lucca, which the Romans founded in 180 BC. While little from that time remains, historical architecture is still the town's most outstanding feature, especially its remarkably intact Renaissance walls. While meandering about, you may notice an odd curve to some streets. The reason is that the buildings lining them follow the footprint of the massive walls that once supported a Roman amphitheater.

HIGHLIGHTS

- Visit the Field of Miracles, home to Pisa's Leaning Tower, Duomo, Baptistery and Camposanto.
- Browse paintings of Madonna and St. Paul in the National Museum of San Matteo.
- Tour Lucca, a town revered for its well-preserved Renaissance walls that encircle Old Town.

HELPFUL HINTS

- Dress in weather-appropriate clothing.
- Space is limited, book early.

In the same vein, the quirky triangular Forum Building overcame initial design flaws to become an admired symbol of Barcelona's urban renewal. As you continue, you'll be led to the magnificent Sagrada Família, where you'll have some free time to admire and contemplate its intricate façade and the beautiful surroundings. Date: Oct 06, 2025 Time: 11:00 AM

Duration: 3.50 Hrs Price: \$99.00

OVERVIEW

Stand in the ruins of an ancient Roman theater that remarkably wasn't discovered until 1988, and then enjoy a tasting of small-plate specialties at several tapas bars. Get a full understanding of its design and restoration. Once inside the open-air structure, you will likely be awed by its size, as the theater can hold up to 7,000 spectators.
