Date: Oct 04, 2025 Time: 09:30 AM
Duration: 4.00 Hrs Price: \$199.00

OVERVIEW

View Santorini from two vastly different perspectives – while cruising the caldera and by walking through the enchanting village of Oia. Built on the precipitous slope of the caldera, Oia is extraordinarily photogenic and the views from most everywhere are truly breathtaking. The architecture is pure Cycladic, a minimalist style that features white-washed cube houses and blue-domed churches. Free time in Oia allows you to browse the shops before continuing on to Athinios, where your boat experience will begin. You will cruise through the caldera’s island-dotted waters. Few views can rival looking up at the barren rocky cliffs from the water with Fira blanketing the top, If the water conditions do not permit us to cruise as an alternative, you may relax on a beach that offers its own unique perspective of Santorini.

HIGHLIGHTS

- Behold the beauty of Santorini while traveling between the villages of Oia.
- Browse the classic white-washed village of Oia, which perches above Santorini’s caldera.
- Enjoy a unique perspective of Santorini while cruising the caldera or relaxing on a beach, if the water conditions do not permit us to cruise.

JTR-016 HOW IT'S BUILT SANTORINI & AKROTIRI ARCHAEOLOGICAL SITE

Date: Oct 04, 2025 Time: 10:00 AM
Duration: 5.00 Hrs Price: \$159.00

OVERVIEW

Recognize how Santorini’s architecture has evolved through the centuries by visiting cities that were built during different time periods. At Akrotiri – the so-called Pompeii of the Bronze Age – you will see the archaeological remains of homes with colorful frescoes and streets lined with commercial buildings that reveal urban life in the Minoan period. Volcanic ash from a second millennium B.C. eruption preserved the buildings. Another historical perspective awaits you in the village of Pyrgos, where you will see a 13th-century Venetian castle so well-built that it survived a 1956 earthquake that destroyed many of the buildings around it. The 15th-century castle in cliff-top Oia didn’t survive that earthquake nearly as well, as much of it collapsed into the sea. The village is better known for its Ottoman-influenced winding streets and gorgeous white-washed houses

trimmed in blue. The architecture is quintessentially Cycladic and the views of the ancient caldera below are spectacular.

HIGHLIGHTS

- Browse the excavated ruins of a Minoan-era archaeological site in Akrotiri.
- Meander through Pyrgos, a medieval settlement and former capital of Santorini.
- Observe the classic Cycladic architecture in the whitewashed village of Oia.
- Hear about the volcanic eruptions that have shaped Santorini, especially the one in 1956.

HELPFUL HINTS

- Dress in weather-appropriate clothing.
- Wear flat comfortable walking shoes.

PLEASE NOTE

Tour includes long periods of walking over various terrain and uneven surfaces. Please be prepared for high temperatures during the summer season. This tour will only include entrance to Akrotiri. To enhance the experience, the guide will describe some of the legends associated with Santorini’s volcanic eruptions, in particular the one that supposedly caused the mythical city of Atlantis to disappear into the sea. The sights are equally photogenic in Fira, where white-washed houses built on the steep slope of the caldera. NAP-005 HISTORIC HERCULANEUM

Date: Oct 09, 2025 Time: 08:45 AM

Duration: 3.50 Hrs Price: \$169.00

OVERVIEW

Delve into the remains of Herculaneum, a UNESCO World Heritage site that, much like Pompeii, fell victim to Mount Vesuvius' reverberating AD 79 eruption, on this engaging tour that also takes you to a local craft center. You'll learn that Herculaneum's fate didn't quite mirror Pompeii's, since Pompeii was buried in hot volcanic ash that burned everything combustible, whereas Herculaneum was covered by scorching mud that serendipitously preserved the village and prevented looting throughout the centuries. In addition, you'll hear many of the citizens had already departed Herculaneum due to an earthquake that preceded the volcanic eruption by several years, so this city has none of the eerie body casts seen in Pompeii. During your guided tour, you might see upper-class Roman villas overlooking the sea, original statuary, inlaid marble floors, intricate wall mosaics and even carbonized wood artifacts that survived the horrific devastation, all of which provide an astonishing snapshot of life nearly 2,000 years ago. Cap off your illuminating outing with a visit to a craft center, proof that even Vesuvius' destructive outburst couldn't prevent this vibrant corner of Italy from flourishing.

HIGHLIGHTS

- Tour the eye-opening ruins of Roman-era Herculaneum, a UNESCO World Heritage site.
- See nearly intact buildings interred for centuries by a flow of scalding mud triggered by Mount Vesuvius' AD 79 eruption.
- Examine statues, inlaid marble floors, ornate mosaics and wooden items carbonized by the extreme heat.
- Shop for local crafts at a center where artisans proudly display their wares.

HELPFUL HINTS

- Wear casual, weather-appropriate clothing and comfortable walking shoes.
- Bring a hat, sunglasses and sunscreen.

PLEASE NOTE

NAP-GL1 SAN MARTINO SECRET HILLS & FUNICULAR RIDE

Date: Oct 09, 2025 Time: 01:30 PM
Duration: 3.00 Hrs Price: \$159.00

OVERVIEW

Admire the most breathtaking views of Naples from high above the city in historical San Martino, from which you will descend on foot and by funicular. The panoramic views will begin in earnest in Vomero, a fashionable district on an elevated plateau. The sights will be even more spectacular as you hike up to San Martino, an oasis well above the urban sprawl. Be sure to see its star-shaped fortress Castel Sant'Elmo and the former 14th-century Carthusian monastery. More fabulous vistas await you while walking downhill along the Pedamentina, a set of several hundred steps built in the 1500s. Although outdoor staircases and steps are abundant in hilly Naples, few compare to the Pedamentina for being scenic. In time, you will reach Corso Vittorio Emanuele, a charming street where you will hop aboard a funicular and continue your descent. While riding the funicular, you will be treated to even more magnificent views of Naples and its crescent-shaped bay.

HIGHLIGHTS

- Take in the panoramic views of sprawling Naples from several elevated lookouts.
- Hike up to hilltop San Martino and walk down a set of 400 stairs from the 1500s.
- Enjoy more spectacular views by riding a funicular down to a popular piazza.

The castle's five towers make it one of Naples' most recognizable landmarks. You will also see the Egg Castle, which holds a commanding position on the sea. In time, you will reach

Spaccanapoli, a long street whose name means "Naples splitter," a reference to it somewhat dividing the city in two. Here, you will visit the Jesuit church Gesù Nuovo and the Church of Santa Chiara, which was founded in 1310 and features an austere Provençal-Gothic style. To delve even deeper into daily life, you will walk through the narrow streets of Old Town, which UNESCO has declared a Cultural Heritage site. Savor a tasting of organic wines at a farm that operates in an environmentally friendly manner that is completely sustainable. A delightful drive through the gorgeous Tuscan countryside will bring you to Trebotti, a family-owned farm and winery that follows natural agricultural practices. It is among the first farms in Italy to measure and certify its carbon footprint with the goal of achieving zero climate-altering emissions. OVERVIEW

Travel to the ancient city of Viterbo, where thermal springs have been celebrated for their healing properties since the time of the Etruscans and Romans. In the lush countryside just west of the city center, you will experience Terme dei Papi, the "Thermal Baths of the Popes." While the baths were visited by a succession of popes in medieval times, they received their current name in the 15th century when Pope Nicholas V was so impressed by the curative effects of the waters that he had a grand palace built on the site, so he could stay there whenever he required treatment. The baths are fed by the Bullicame spring that has inspired artists and poets for centuries. Dante references the spring in his Divine Comedy, and Michelangelo sketched drawings of the beautiful landscape. The mineral-rich waters are forced through a miles-long fracture in the earth's crust by the pressure of carbonic gases. The salts, calcium, magnesium and other mineral compounds in the thermal waters make them highly valued for multiple therapeutic applications, including the treatment of respiratory ailments, bone and joint pain, and skin conditions. On the gorgeous estate of Terme dei Papi, relax in the splendid outdoor pool, which stretches over 20,000 square feet and is fed exclusively by

MRS-BB1 BEYOND BLUEPRINTS - MARSEILLE

Date: Oct 12, 2025 Time: 01:00 PM
Duration: 4.00 Hrs Price: \$269.00

OVERVIEW

Gain an insider’s understanding of the challenges in building two avant-garde landmarks by touring them with an architectural historian. Perched along the waterfront, La Villa Méditerranée was designed to embody Marseille’s deep bond with the sea. Instantly recognized for its prominent cantilevered overhang, this three-level public space also features a conference center with portholes beneath the sea. As you will discover, that lower floor presented all sorts of unusual circumstances that pushed the boundaries of architecture. The building faces MUCEM, a national museum devoted to Mediterranean civilizations. Its audacious design includes elements such as tree-like columns, a lacy façade that resembles a fishnet and a slender footbridge that connects it to the towering ramparts of Fort St. Jean. The square-within-a-square shape of MUCEM is classical in one sense but radically different because of the building materials. The concrete filigree that shields much of the structure is particularly stunning.

center were overcome.

Notwithstanding that Oceania Cruises, at the guest's option, arranges air transportation, hotel accommodations, group transfers, shore excursions and other services with independent suppliers of the services, it should be understood that Oceania Cruises, being a "for profit entity," earns a fee on the sale of the optional services.

All Oceania Cruises shore excursion fares are per person, are subject to change and are subject to availability. Some tours are capacity controlled and may be withdrawn at any time without prior notice. While Oceania Cruises makes every effort to adhere to the specifics mentioned in each shore excursion description, circumstances may require otherwise. All shore excursion descriptions and information are subject to change without notice at Oceania Cruises' discretion. Oceania Cruises is not responsible or liable for typographical errors, omissions or misprints.
